The Masonic Lodge Behind Iran's False Opposition

Is Iran run by Masons and Jews?

This guy thinks so

See the link to Mathis halfway down

Mathis doesn't mention Masons, all about Jews for him

Which is a tad misleading, it's the identity shifting Talmudists who call the shots

The "Hathor Pentalpha" lodge is the most ruthless among the neo-oligarchical Ur Lodges. This Ur Lodge actively supported the major actions of the so called modern "Islamic terror", starting from 9/11 up to

creation of ISIS/Daesh and its recent terrorist attacks in France and Belgium.

According to the same source, Hathor Pentalpha was officially created in the summer of 2000 after complicated conflicts between other neo-oligarchic Ur Lodges. The early members of this lodge include Dick Cheney, Don Rumsfeld, Bill Kristol, the Bushes and Tony Blair and other so called "neocons". The document *Project for the New American Century* calling for a new Pearl Harbor was a creation of the Hathor Pentalpha.

O'Carroll- "**How on Earth is it possible to be an "Islamic" "cleric" or an "Islamic" "jurist" if you are also a member of a Freemasonic super-lodge following the satanic Talmud and the black-magic Kabbalah?**

by Patrick O'Carroll
(henrymakow.com)

I**n his 2014 book** *"Massoni; Società A Responsabilità Illimitata; la Scoperta Delle Ur-Lodges",* Italian Freemason Gioele Magaldi (founder and "venerable" master of Freemasonic lodge Grande Oriente d'Italia Democratico) gave the full membership list of the Talmudic super-lodge HATHOR PENTALPHA, and showed how it played SEVEN BIG JOKES on mankind. Magaldi listed the members of all the 36 super-lodges that rule the world.

After it was published in 2014, Gioele Magaldi's exposé "Massoni" was given a LOT of headlines in the alt-media, but it was of course suppressed, or buried, by the Zionist-controlled mainstream-media.

HATHOR PENTALPHA is a prime example of Freemasonry controlling both sides when planning wars, refugee "crises", and other long-term projects, even as the mainstream-media presents all the events as taking place by "happenstance" or "coincidence". Naturally, anyone who engages in pattern recognition, or spots planning, gets mocked with the 1960s term "Conspiracy Theorist" because "you must know that major events are not planned". Freemasonry always abuses religion. Positively, many "religious" Freemasons are just Satanists in fancy-dress.

Most members of the PNAC Group were members of HATHOR PENTALPHA too, which was founded in 1993 after communist Russia faked its own death on 25 Dec 1991. The PNAC Group called for the Zionist US military to gain "full spectrum dominance" over all nations, especially Mid-East nations, and later over all the slaves (or Goyim "Livestock") of the world via brainwashing. It also called for the development of race-specific bioweapons.

The top actions of HATHOR PENTALPHA and the PNAC Group (members of both are in the same "Big Club."

1. Grab as much territory as possible from the "fallen", ex-communist Russia (by expanding NATO).

2. Grab resources in the Mid-East in the absence of opposition from the "fallen" Russia or "fledgling" China.

3. Plan Wars for Greater Israel to increase the death-toll of the Arab-Semitic Holocaust to over 10 million.

4. Plan Wars for Greater Israel to increase the number of Arab-Semitic "refugees" dumped into Europe.

5. Implement Freemasonry's "Clash of Civilizations" credo as its paramount doctrine for the twenty-first century. Under this "Clash of Civilizations" doctrine (credited to political "scientist" & HATHOR PENTALPHA member Samuel Phillips Huntington), the Kalergi Plan must be expanded to increase the proportion of Muslims in Europe and North America, to in turn induce civil wars that will bring a "new" order from the ensuing chaos. But avoid the term "White Genocide", by preferably calling it instead "Weaponized Replacement Migration".

6. Develop race-specific bioweapons to kill political opponents, "nasty" racial groups, and other "undesirables".

7. Ultimately, also acquire "full spectrum dominance" over the minds of the slaves through total brainwashing.

BIG JOKE #1: HATHOR PENTALPHA is running Iran pursuant to the "Albert Pike Plan"

HATHOR PENTALPHA is the super-lodge that is running the Freemasonic Republic of Iran. "Team Antichrist" plans to deploy Iran as controlled opposition in WW3. Iran is not an "Islamic" republic, but a Freemasonic one.
If you think Iran is "Islamic", and not Freemasonic, then check out this image. [At the top on the post]

Yet more evidence that Iran is merely serving as controlled opposition for WW3 is the fact that several notable Iranians are members of the Talmudic super-lodge HATHOR PENTALPHA. Therefore, we really need to ask the question: **How on Earth is it possible to be an "Islamic" "cleric" or an "Islamic" "jurist" if you are also a member of a Freemasonic super-lodge following the satanic Talmud and the black-magic Kabbalah?**

The following Iranian notables are all members of the Talmudic super-lodge HATHOR PENTALPHA:

1. Akbar Hashemi Rafsanjani (IR), president of Iran in 1989-97, net worth 1.5 billion USD dollars;

2. Gholam-Hossein Mohseni-Eje'i (IR), "Islamic" jurist, conservative puppetician, and Chief Justice of Iran;

3. Heydar Moslehi (IR), "Islamic" "cleric", puppetician, and Iranian minister of intelligence in 2009-13;

4. Mahmoud Alavi (IR), Iranian minister of intelligence in 2013-21, and member of Iran's assembly of experts;

5. Mohammad Momen (IR), "Islamic" "cleric", "Islamic" jurist, member of the guardian council which influences Iran's "Islamic" "Revolutionary" Guard Corps (IRGC), and also a member of Iran's assembly of experts;

6. Valiollah Seif (IR), governor of the Central Bank of Iran.

Note: The Jews living in the Iranian city Isfahan today are to play a leading role in Islamic end-times eschatology.

In its 1979 "revolution", the Iranian state was handed over to the Khomeini Cult, which was essentially a "Muslim Brotherhood type group" with direct links to foreign "intelligence" agencies, especially MI6, CIA and Mossad. The true story is that MI6 instigated Khomeini's "Islamic" "revolution". The objective was to control Iran's energy by weakening Iran, by reducing the Iranians to hunger, and also to destroy Iran's religious or family-oriented society.

Other Iranian stooges of "Team Antichrist", and of World Freemasonry, include:

1. Hassan Rouhani (IR), puppet, WEF member, seventh president of Iran in 2013-21, great friend of Jack Straw (former British foreign secretary) and hence a great friend of the Zionist House of Rothschild;

2. Ayatollah Misbah Yazdi (IR), leader of the powerful cult called the Haghani Circle;

3. Mahmoud Ahmadinejad (IR), crypto-Jewish puppet, sixth president of Iran in 2005-13, student of cult leader Ayatollah Misbah Yazdi;

4. Gholamhossein Mohammadi Golpayegani (IR), "Islamic" "cleric" who serves as the chief-of-staff of supreme leader Ayatollah Ali Khamenei;

5. The "Islamic" "Revolutionary" Guard Corps (IRGC) which is much like China's CCP or communist Russia's politburo. Multibillion-dollar enterprises that, still in 1970, were state-owned are now owned by the IRGC.

Iran is SUPPOSED to be the pinnacle of resistance against "Team Antichrist", i.e. against the Antichrist State of Israel, against ZioFascism, and against the tyranny of the City of London, BIS, and the central-bankster cartel.

BUT Iran has more Freemasonic lodges and Freemasonic symbolism than any country in the region. Iran has a giant pyramid as a parliament building sporting the "All-Seeing Eye of Ra", which calls to mind Aleister Crowley's

name for the Great Satan, i.e. “the Eye”. All Iranian puppets are controlled by the Western secret services, which run all the drugs and sell all the weapons across the whole region of the Middle-East and Central Asia.

One red flag is that the Antichrist State of Israel is always seen to “deal quickly” with all its enemies, but the ONE BIG EXCEPTION has often been Iran; because Iran is a controlled-opposition puppet of “Team Antichrist”.

Communist Russia was the first to recognize Iran’s “Islamic” “republic” in 1979. Russia maintains alliances with almost all of the “Islamic” “republics”. It is mere theater to suggest that Russia is a “friend” of Iran and the Arabs, and is opposing “Team Antichrist”. Also, behind the scenes, Israel is brokering deals with the BRICS Alliance, of which Iran is a major strategic partner.
BOTH narratives “Iran is fighting Team Antichrist” and “Russia is fighting the ‘new’ world order” are EQUALLY BOGUS. What we are actually watching is the “Albert Pike Plan” for WW3: Leaders who call themselves “Islamists” and “Zionists” are agents, or Punch & Judy puppets, of the “Illuminati”.

The “Albert Pike Plan” for WW3 reads: “WW3 must be fomented by taking advantage of the differences caused by the ‘agentur’ of the ‘Illuminati’ between the political Zionists and the leaders of the Islamic World. The war must be conducted in such a way that Islam [the Muslim-Arabic World] and political Zionism [the Antichrist State of Israel] mutually destroy each other. Meanwhile, the other nations, once more divided on this issue, will be constrained to fight to the point of complete PHYSICAL, MORAL, SPIRITUAL and ECONOMIC EXHAUSTION”.

Pike’s letter was on display in the British Museum Library till 1977. Today, “Team Antichrist” denies it ever existed. “Fact checkers” and Tell-Lie-Vision call it a “hoax”. But that is untrue since the letter was already transcribed and published before 1960, thus already verifying it independently as genuine.

The real PURPOSE of Iran’s “Islamic” “republic” is to aid “Team Antichrist” in the creation of Greater Israel by giving the Antichrist State of Israel the excuse it needs to expand its territory to the WEST bank of the Euphrates.

Rumor has it that, in exchange, Iran’s “Islamic” “republic” has been promised a “Persian Empire 2.0” which will extend all the way to the EAST bank of the Euphrates and will control all the “Stan Nations” of Central Asia (including Afghanistan, Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, Uzbekistan, plus some others). It is also crucial to emphasize that Iran was NOT listed on PNAC’s hit-list of seven nations, as is often misstated.

Also, it is useful to bear in mind that “the Albert Pike Plan” of 1871 was a letter from the first leader of the world “revolutionary” movement (Pike) to the second leader of the world “revolutionary” movement (Giuseppe Mazzini), AND that the word “revolution” has always been a Freemasonic keyword signifying the overthrow of the Christian Order. We know that both sides of WW2 were controlled by Freemasonry, and by the “Illuminati”. We also know that the Zionists took central control of both sides of WW1 when the post-armistice “peace” conference began in Jan 1919. So, it would be naïve of us to believe that Freemasonry was not controlling both sides of WW3 too.

Albert Pike promised control of all sides in all three world wars and there is no reason to doubt this will succeed.

ASIDE: The following Miules Mathis article is called “Iran’s Jewish Rulers”, and it is dated 2019: https://mileswmathis.com/iran.pdf

Although he does not give exhaustive citations, its author Donny Ahzmond cites the following “cohen-cidences”:

· Ruhollah Khomeini and Ali Khamenei were Jewish Komens (Kohens), who originate from Khamaneh, a city near the Armenian border that was under Jewish control for many centuries (https://en.wikipedia.org/wiki/Khamaneh).

· Persia’s Zand Dynasty was Jewish.

· Persia’s Pahlavi Dynasty was of Jewish Levite origin. Note: The last Shah of Iran was Mohammad Reza Pahlavi, and Iranian Freemasonry was revived in the 1950s with the creation of Iran’s Pahlavi Lodge.

· Iranian executive Fuad Rouhani was first secretary-general of OPEC. Rohan is a common Jewish name.

King Faisal ruled his kingdom of Saudi Arabia in 1964-75 and he confirmed that the Saudi royals have Jewish ancestry. In an interview with the Zionist *Washington Post* (dubbed “the Langley Newsletter”) on 17 Sept 1969, King Faisal said: “We, the Saudi royal family, are cousins of the Jews. We entirely disagree with any Arab or Muslim authority which shows any antagonism to the Jews; but we must live together with them in peace. Our country is the fountainhead from where the first Jew sprang, and his descendants spread out all over the world”.

In 2018, former Lebanese minister Wiam Wahab said the Jews are using the Saudi Regime to avenge the defeat of the Jewish Qaynuqa Tribe by the Prophet Mohammed: https://www.memri.org/tv/former-lebanese-minister-wiam-wahhab-saudi-regime-used-jews-avenge-defeat-qaynuqa-tribe-prophet. Another “cohen-cidence” is Uber CEO Dara Khosrowshahi calling himself “Iranian-American” when he is in fact a Jewish Pahlavi, and his wife is the Jewess Sydney Shapiro; a “cohen-cidence”!

Thus, one big joke on mankind is for the Zionist-controlled mainstream-media to call Iran (and Saudi Arabia) “Islamic”, when they are in fact Jewish-controlled. The terms Iran uses to describe itself and its narrative are Freemasonic, such as the keyword “revolution”, which only applies to coups d’état launched by Freemasonry, and of course the Freemasonic keyword “republic”, which only applies to countries formed by Freemasonry.

HATHOR PENTALFA one of the 36 superlatives that rule the world where we find PUTIN, ERDOGAN, BIN LADEN, SARKOZY, FLYNN, BOLTON (Trump’s boss) FINK (boss of Black Rock) and how many others. This super lodge has been financing Daesh Isis for years and is notably responsible for the Paris attacks. Muslims are their broom, the executors of the dirty work, just like now with Syria. These super lodges worship Lucifer and the members are united by a pact with this demonic entity. There are 18 democratic super lodges (Obama, Clinton etc.) and 18 oligarchic lodges (Trump Putin etc.). Some are members of several lodges, either democratic or oligarchic. Only the Rockefellers are part of the lodges of both camps. The goal of these lodges is the creation of Greater Israel and the expectation of the coming of the Antichrist, each camp of 18 lodges being convinced that it is in their country that the Antichrist will manifest himself.
PUTIN WANTS TO LOSE THE WAR, OR HE IS SUGGESTED TO DO SO. HATHOR PENTALFA IS PUTIN’S SUPER LODGE. BUT NOT ONLY THAT, IS IN IRAN IN THE FALSE OPPOSITION, INCLUDING WITH THE USA

AND FRANCE, AND THE MULHAS, TO MAKE A FACTORY WAR ON ISRAEL, WHICH IS IN THIS LODGE AND WHO CREATED HAMAS.
Why can't we liberate the Kursk region? Why can't we drive the enemy out of our territory for six months?
The answer is simple. God is on the side of the big battalions. In order to guarantee a rapid and successful offensive, it is necessary to ensure at least four times the superiority of firearms (including drones) and at least three times the superiority of infantry and armored vehicles. This is where it will happen.
So far, judging by the vicious fighting, mutual attacks and counterattacks, the Armed Forces of the Russian Federation and the VFU in the Kursk region have relative parity, both in strength and in technology. So, this corps can last not only for months. For years.
We cannot provide decisive superiority even in this direction. Because we do not have sufficient strategic reserves. Taking the belligerent units from other sections of the thousand-kilometer front means exposing the front there. Which will not fail to use the VFU, striking at a bare area.
It is necessary to form new parts and connections. We still need 10 new divisions. But even if we had enough men, there is nothing to arm them with. We need not only assault rifles, but also armored vehicles, tanks, artillery, MLRS and drones, in sufficient quantities. We do not have this.
Our opponent has a clear advantage. The military-industrial complex of 54 countries is working on its armament. Therefore, no matter how much we do not destroy enemy tanks, armored vehicles, artillery systems and others – they do not hurt. They will put more. They will put as much as necessary. Unlimited. 54 countries against one Russia.
We have only our own military-industrial complex, which does not have time to produce weapons and equipment, and limited deliveries of drones from Iran and artillery from Korea. And that's all. And Ukraine receives weapons from half the world. Another news: France sends 30,000 drones to kyiv. And such deliveries arrive every day.
It is not surprising that we have not yet repulsed the Kursk region. What is surprising is that we remain in confrontation with the military industry of 54 countries. And even, slowly, but we are moving forward.
True, Ukraine has more and more problems with manpower. People are lacking. Aviation engineers are sent to the infantry. Recruits are caught on the streets like dogs. Apparently, they will soon reduce the age of mobilization.
But the human potential of Ukraine is still there. Therefore, you should not expect an easy and quick victory.
Perhaps we will liberate the Kursk region by the summer.
But this is not true.
